

Pramod Satyanarayan Hegde

Software Developer | Full Stack Web Developer

pramodhegde2004@gmail.com | +91 8310326717 | Karnataka, India | LinkedIn: <https://linkedin.com/in/pramodhegde7> |

GitHub: <https://github.com/pramodhegde7>

PROFESSIONAL SUMMARY

Motivated BCA graduate with practical experience in full-stack web development gained through an industry internship and academic projects. Skilled in designing and developing responsive web applications using Python, JavaScript, React.js, Node.js, Express.js, Flask, MySQL, and MongoDB Atlas. Passionate about understanding real-world problems, designing application architecture, and building complete software solutions. Currently preparing to pursue an MCA while expanding knowledge in Cloud Computing and DevOps.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML5, CSS3, SQL

Frontend: React.js, Bootstrap, Tailwind CSS, Responsive Design

Backend: Node.js, Express.js, Flask

Databases: MySQL, MongoDB Atlas, phpMyAdmin

Tools & Platforms: Git, GitHub, VS Code, Postman

Learning: Cloud Computing, DevOps

INTERNSHIP EXPERIENCE

Web Development Intern — DGSumukha Tech Solutions LLP

Apr 2026 – Jun 2026

- Developed a full-stack Student Registration System, building the frontend with React.js and backend REST APIs with Node.js and Express.js.
- Connected the application to a MySQL database and implemented complete CRUD operations.
- Tested and validated all API endpoints using Postman, and used Git/GitHub for version control.
- Collaborated with the development team throughout the design and build process.

PROJECTS

Ayush-Link — Clinic Appointment & Live Queue Management System

Team Lead, 4 Members

Python, Flask, MongoDB Atlas, HTML5, CSS3, JavaScript, Jinja2 | BCA Final Year Project

- Led a 4-member team to design and build a smart appointment booking and live queue tracking system for small clinics, reducing patient waiting time.
- Implemented role-based modules for Patients (booking, queue tracking, appointment history, ratings), Doctors (queue management, patient records), and Admin (doctor verification, dashboard, user management).
- Integrated MongoDB Atlas for data storage and built a responsive UI accessible across devices.
- Repository: <https://github.com/pramodhegde7/Aayush-project>

Student Registration System

Internship Project

React.js, Node.js, Express.js, MySQL

- Built a full CRUD web application to manage student records, including add, update, delete, and view functionality.
- Designed a responsive interface connected to a MySQL backend via REST APIs.
- Repository: <https://github.com/pramodhegde7/student-registration-system>

EDUCATION

Master of Computer Applications (MCA)

Admission Confirmed

Manipal Institute of Technology (MAHE)

Bachelor of Computer Applications (BCA)

2023 – 2026

Seshadripuram College, Tumakuru (Tumakuru University) | CGPA: 8.8/10 (up to 5th Semester)

ACHIEVEMENTS

- Successfully completed a Full Stack Web Development internship at DGSumukha Tech Solutions LLP, and led a four-member team in designing and developing the Ayush-Link project.
- Built and documented multiple full-stack web applications, both independently and as part of a team.
